Gentlemen:

I received your material dated January 7, 2008 about filing a Statement of Organization with your committee. I am not filing such a Statement since the attached report is a final one for this political committee. All contributions have been listed and reported and all expenses paid.

If I have neglected something in this matter please let me know. This committee was formed for one issue on one election and is no longer needed. All accounts have been closed and as far as I know all reports have been made. If I have missed something please let me know.

Yours very truly,

Donald Kelly
Donald Kelly
Chairman
Committee to Support
Act 416
